17 F G F G To Coda

There's a look on your face I would like to knock out. See the sin in your grin and the shape of your mouth.
way. You are scum, you are scum and I hope that you know that the cracks in your smile a be - gin - ning to show.
Bet you sleep like a child with your thumb in your mouth. I could creep up be - side, put a gun in your mouth.

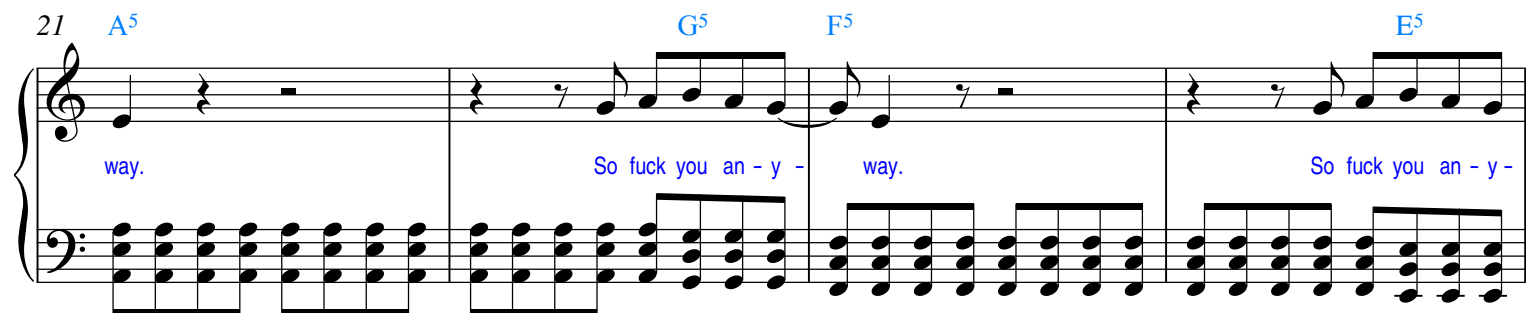

All I want is to see you in ter - ri - ble pain. Thought we won't ev - er met I re - mem - ber your name.
Now the world needs to see that it's time you should go. There's no light in your eyes and your brain is too slow.
Makes me sick when I hear all the shit that you say - so much crap com - ing out it must take you all day.

Can't be - lieve you were once just like a - ny - one else, then you grew and be - came like the de - vil him - self.
There's a space kept in hell with your name on the seat. With a spike in the chair just to make it com - plete.

Pray to God I can think of a kind things to say, but I don't think I can. So fuck you an - y -
When you look at your - self do you see what I see, if you do why the fuck, are you look - ing at me?
