My eyes are pain-ted red
 The can-vas of my soul,
 Slowly breaking down again
 Today I heard the news
 The stories getting old
 When will we see the end?

Of the days, we bleed for what we need
 To forgive, forget, move on
 Cause we've got

Припев
 One life to live
 One love to give
 One chance to keep from fal-ling
 One heart to break
 One soul to take us
 Not for sake us,
 Only one Only one

The writting's on the wall
 Those who came be-fore
 Left pic-tures frozen still, in time
 You say you want it all
 But whose side you fighting for?
 I sit and won-der why

There are nights, we sleep, while others they weep
 With regret, repent, be strong Cause we've got

(Припев)

Just you and I
 Under one sky

(Припев)
