If I'm louder
 Would you see me?
 Would you lay down in my arms and rescue me?
 Cause we are, the same
 You saved me, when you leave it scarred again
 And then I see you on the street
 In his arms, I get weak
 My body feels I'm on my knees
 Praying

When you open his arms
 And holds you close tonight
 It just won't feel right
 Cause I can't love you more than this, yeah
 When he lays you down, I'm not just dying inside
 It just don't feel right
 Cause I can't love you more than this
